New Livery Stable.
—FIRE PROOF—
Having completed my new Li-

month.
My stables are situated on the corner of Prin-
cess and Third streets, directly opposite the Court-

with tin, which makes them entirely fire-proof.
They are large, commodious, and well constructed,

I also have (for the accommodation of Drivers),
a large and comfortable Lot, together with a base-
ment under the Stables sufficient to hold one hun-
dred horses, and shelter them well and comfortably.
Horses, Carriages, and Buggies, kept constantly
for hire.
My Drivers cannot be surpassed in any count-
ry, and I therefore feel confident of giving entire
satisfaction to those who favor me with their cus-
tom.
I feel grateful to my friends and the public for
their liberal patronage heretofore, and hope to merit
a continuance of their custom.

Read the Affidavit.
City and County of New York, ss.
William Armstrong of said city being duly
sworn, doth depose and say that he is a practical
Druggist and Chemist, that some time in the
latter part of May, or first of June, 1848, a man
by the name of Jacob Townsend, who at that time
was a book and pamphlet pedlar, called upon de-
ponent at the house of Mr. Thompson, No. 42 Hud-
son street, where deponent boarded, and requested
deponent to write him a recipe by which to make
a Syrup of Sarsaparilla. Deponent further says,
that he became acquainted with said Townsend at
the office of Theodore Foster, Esq., book publish-
er, with whom said Townsend dealt. That said
Townsend had had frequent conversations with
deponent in relation to the preparation of an article
of Sarsaparilla to be sold under the name of Dr.
Jacob Townsend.

That said Townsend stated he was an old man
and poor, and was not fit for labor, and wished
to make some money in order to live easy in
his old age, and that he had been told that the
name of Townsend sold so well, and so much money
was made by it, he could see no reason why
he might not make something out of it too, (his
name being Townsend), if he could get a capable
person to prepare a recipe and manufacture it for
him. Deponent in response to the conversation which
said Townsend if he was related to Dr. S. P. Town-
send, to which he replied that he knew Dr. S. P.
would be down on him after he should commence;
but that he did not care for him, as he had formed
a partnership with men who could furnish the
required amount of capital—and was well pre-
pared to defend himself against any attack that might
be made on him.
Deponent further says that pursuant to the re-
quest of said Jacob Townsend, he wrote a recipe
for the manufacture of a Syrup of Sarsaparilla and
gave it to him. Said Townsend observed that he
wanted to make a specimen to exhibit to his part-
ners in every thing, as they furnished all the cap-
ital—said Townsend also told deponent that the
bottles they were to use were to be of the same
size and shape as Dr. S. P.'s, and deponent, at the
request of said Jacob Townsend, went to the office
of Dr. S. P. and procured one of his labels.
And deponent further says that he has been in-
formed and verily believes the Syrup of Sarsapa-
rilla sold as Old Dr. Jacob Townsend's, is made
after the recipe furnished by deponent to Jacob
Townsend.

And further deponent saith not.

SEIDLITZ POWDERS.
Soda and Seidlitz Powders freshly prepared, at
Wm. H. LIPPITT,
Druggist & Chemist.

EPPLING'S CO. FL. Extract of Sarsaparilla and
QUININE'S DELIGHT.
TO THE PUBLIC.—This preparation has
acquired a very extended and established celebrity
in most of the Southern States of the Union; both
in the hands of Physicians and private use; which
its efficacy alone has sustained for several years,
a remedy for Scrofula or King's Evil, Ulcers,
Sore Throat, long standing Rheumatic Affec-
tions, diseases of the skin, old sores, white swell-
ings, diseases of the bones, and all cases of an ul-
cerous character. It is also particularly useful
in chronic and nervous complaints occurring in
debilitated and cachectic constitutions. Over Sy-
philis and the host of other diseases, it is equally
effective, and its use is attended with no danger, and
hitherto incurable affections resulting therefrom,
such as ulcers of the throat, larynx, nodes, &c.,
and all those evils occasioned by an improper and
injurious use of "mercury," it displays complete
control. It has been found to be a most useful
purifier of the blood in all such diseases.
In all complicated cases of Scrofula and Syphilis,
and in cases where the Syphilitic virus of the
parent causes a development of Syphilis or Scrofula
in the child, this is the only remedy upon which
the hope of recovery can be reasonably founded.
It relieves the disease, and gives some degree of im-
portance to the whole system—under the use
of this medicine, the patient is enabled to take
nourishing food, which in other practice is with-
held. In many cases where the horrible ravages
of disease have taken so deep root that patients
have been given up by the most skillful Physi-
cians, the disease has been arrested and the patient
restored to good health, &c., and the most reason-
able expectations fully satisfied.
The cure performed in this city alone, are
sufficient to establish its reputation on a perma-
nent basis, and too solid to be effected either by
the human or divine power. It is worthy of notice
that the greater part of the patients cured have
previously to using this preparation, received the
best medical treatment, and given up by their phy-
sicians as being beyond the reach of medical skill.
It is, however, advisable that it should be given,
in addition to the best medical treatment, and a phy-
sician, for him to prescribe such other remedies in
conjunction with this as the necessity of the case
may require. This preparation has put into the
hands of physicians a remedy by which he can
master a variety of diseases, which have hitherto
baffled the greatest skill, and study. It is a safe
and harmless medicine, and relieves all those
evils which an unsuccessful use of mercury so of-
ten occasions.
Price \$1 per bottle, or \$5 for six bottles. Pre-
pared and for sale by J. P. M. EPPLING,
at the Chemist and Druggist, 277 King st.,
